2016 ANNUAL NEWS LETTER

Dear Members,

This has been another good year for your water association. In addition to the normal activities and a few new requirements from the Department of Health, your staff has been very busy. The Verizon cell antennas are up and operating. If you are a Verizon customer, you should have noticed a jump in signal strength. Three Lakes has another operator as staff member Kaila Kemmis has earned her WDM1 certification.

Sincerely,
Donald Doser
President, Three Lakes Water Association (president@3lwa.org)

Consumer Confidence Report

Water Served in Year 2015

Department of Health now allows the distribution of the CCR through electronic delivery. This means the report is available for download from our website: The direct link to download this file is:

<http://3lwa.org/documents/16CCR3L.pdf>

If you would prefer a paper version mailed to you, please let us know. Call and leave a message at 360-568-8022 stating your name and account number with the statement that you would like us to mail out a copy of the CCR and we will do so. You could also send us a note included with your next payment with this type of request or you could send us an email.

Your CCR contains important information regarding the water we serve. Please take the time to read and understand. If you have questions about your water, please let me know and I will do my best to help you with answers.

Respectfully,
Don Kemmis, General Manager
Three Lakes Water Association

Membership:

New bill format coming your way: We are excited to be able to present to you your water bill in a new format. This change should allow us to present you with more information about your water usage and history. It should also allow for greater protection of your privacy as it will be delivered fully enclosed in an envelope going forward. This change will modify a number of processes at our company. Your patience and understanding is appreciated, the overall outcome should be more efficient and reliable. More information, please see WATER BILL enclosed.
